Equality Objectives

We have considered the information collected and have identified three key objectives that our school will focus on. These objectives will help us to meet the three aims of the general duties required in the Equality Act 2010 to:

- Eliminate unlawful discrimination
- Advance equality of opportunity
- Foster good relations

Our equality objectives are:

1. To bring positive male role models into school to address the gender imbalance.
2. To further develop community links with people from different cultural and religious backgrounds to increase awareness and understanding of diversity.
3. To enhance methods of communication with pupils, parents and carers, and the local community, to facilitate mutual understanding and co-operation.

* Equalities information will be updated annually and progress towards our objectives will be monitored and reviewed every year. In line with legislation, the objectives will be re-published formally, at least every 4 years.
